PC Fútbol 7 (Dinamic Multimedia) game card where you can find downloads, scanned tabs, guides, reviews, walkthroughs,. Game for kids - football coach simulator. The game for the computer "Football Manager 2013" is a football training simulator of one of the most popular teams. The player's task is to manage the game and, at certain intervals, change the arrangement of players, the style of play, tactics and strategy of the team. In this game, you are the sports director of one of the famous football teams. In the game you will find yourself in the role of a mentor of one of the youth teams. The game will give you the opportunity to influence the team's style of play, tactics, field players. For more than a year, the market for game consoles has been captured by Sony, releasing more and more new consoles. Note that in our time, it is possible to download football 2 via torrent, and go through all the previous parts of this game with pleasure. Throughout the game, a huge world of football awaits you. It is in this game that you can feel like a real football coach. It is also worth noting that for this the game has a lot of different settings, thanks to which you can customize the game to your liking. Also on the site you can download the Football Manager 2014 game via torrent and go all the way to a football player's career in this program. Before starting the game, you will be able to create your team. Players can be configured into the following categories: In the game itself, you are given the opportunity to evaluate the result of your work. Each player, for a certain period of time, plays the role assigned to him. These can be forwards, defenders, midfielders, liberos, attacking midfielders. You will be able to see in front of you all the information about your players, inventory, game scores, critics' ratings, etc. Each player is a specific type of player. For example, attacking midfielder, defender, midfielder, forward, midfielder, goalkeeper. In order to succeed in this sports game, you will need to innovate, develop tactics, conduct corrective and team games, train your team and add new players to it. To do this, it will be necessary to constantly work on the creation of new schemes. After studying the team, you will be able to view the statistics, the rating of the players, and your achievements on the tests. In addition, you will be able to observe your entire team, and in this way you will be able to draw the right conclusions. If you want to try this game program, just download FootballManager 2013 game on your computer and test it
