In the Kingdom of Elden, the Elden Kingdom has roamed the Lands Between for ages. The Kingdom was once ruled over by an Elden King, but has fallen into a state of anarchy. The Kingdom is currently ruled by four Kings who are competing with one another for control of the Kingdom's resources. Along with their armies, the Kings hire all sorts of mercenaries to increase their strength. The main character is Tarnished, a powerful Warrior that fell from the skies by accident. At the same time, a mysterious girl named Irena is searching for her friend Trav. As the only person who can talk to Irena, Tarnished becomes the target of the nefarious groups that are eager to use Irena's magic. While he is trying to save Irena, Tarnished meets a girl named Rennel who is desperately searching for her master, a powerful mage. Together with Rennel, Tarnished is on his way to meet the Elden King and become an Elden Lord. ©SEGA.All Rights Reserved.PHONE US AT 512-463-7248 FOR
