I'm creating a pretty complicated app that needs a gridview like in the Android Market. So the grid has some empty spaces and it's a 9 columns by 13 rows. I can fill the entire screen with 9 columns with a square, but how to create a 9 by 13 row/grid view? A: you can do it by using LayoutParams and setting it. in your Layout, set the margins to the desired position and set up the dimensions layout.xml 0cc13bf012
