Download Music From A Mac Using Windows Software.2005 Darfur conflict The 2005 Darfur conflict was a civil war that occurred in the Darfur region of Sudan in 2005 and 2006. The conflict was fought between predominantly nomadic and agro-pastoralist ethnic groups; primarily the Zaghawa, Fur, Kanem, Masalit and Mabruk. These tribes had been involved in conflict with the dominant agropastoralist Nuba tribes. Many of the inhabitants in Darfur were nomadic, having fled previous attacks on their herds of livestock. The inhabitants of Darfur had been involved in previous conflicts with Arab states in the Arabian Peninsula and their control of Sudan's oil and gas fields. Sudan was accused by the U.S. State Department of negligence in failing to act to prevent the subsequent widespread carnage of the population of Darfur. The conflict between the Zaghawa and other minority tribes in Darfur occurred between 2004 and 2006, with "particularly brutal massacres". The Darfuri rebels gained increasing local support due to the perceived slights from the Sudanese government. They also had increasing support from Arab armies, some of which were expelled by the
