■ SUSTAINED INSPIRATION FROM FANTASY A Fantasy RPG that is rich in originality. The world is

richly detailed, and the story is brought to life in a way that will keep you engaged. ■ **A DIVERSE WORLD WHICH IS VIBRANT, FULL OF SOUND AND LIFE** Explore a vast world full of spectacular scenery and unique monsters. The entire world is filled with overwhelming things to discover and experience. ■ **AN EPIC STORY WHICH BRINGS THE WORLD TO LIFE** The story unfolds in a multilayered manner, and the various ideas of the characters intertwine. The system has been improved and expanded to make the experience even more enjoyable. ■ **A CHARACTER CREATION SYSTEM THAT WILL CAPTURE YOUR IMAGINATION** Based on the premise of a fantasy RPG, this system lets you freely create your own character. You can choose from a variety of classes, and increase your battle strength with weapons, armor, and magic. The amount of freedom you can have is vast. ■ **A SURPRISING FEELING OF EXTRAVAGANZA WITH ENDLESS ADVENTURE** A vast world full of monsters and exciting situations always keeps you on your toes. ■ **A COSMIC MUSIC THEME THAT COMBINES WITH THE WORLD** A musical theme that recreates the feeling of exploring a vast world. ■ **AN OPEN-END PLAYSTYLE WITH EPIC SOLITAIRE MODE** An aspect of the game allows you to freely choose your action while multiplayer allows you to discover side stories. It has been designed so that there is no set limit to the possibilities of each story. ■ **BEFORE BEGINNING: THE INFOPACK** To enjoy the game as you are and to experience the depth of the game's content, we recommend that you first download and play the "Infopack". This download includes a full-color manual, epilogue, and game progress indicator, and it features in-game character descriptions and a variety of useful functions. (Related to iOS) ■ **BEFORE BEGINNING: THE AD-FREE APP** This application supports an add-free mode as well as the normal mode. In the normal mode, the description of the optional contents of the game, such as the epilogue, the story mode, and the game progress indicator, appears when you start playing the game.

Elden Ring Features Key:

Online Games, Play Together Online games involving character creation, challenge and group play. The game is designed to be seamlessly connected across anywhere in the world and online. **Dynasty** Every character created in the game can belong to a family line, and this family line can grow as your characters reproduce. Dynasty is the drama the characters that form these family lines experience, raising them, their relationships, and their progeny. Reproducing or sacrificing characters has an effect on the advancement of the characters.

Distinctiveness Every player in the game appears in an original video with a unique theme to their character picture and a distinctive voice. Your individual experience is an important element of the drama of the game.

Traversals A variety of expansive locations will be available to travel to. These locations with their vast and varied environments can only be occupied by the players who own the right to visit. Players can feel the uniqueness of the landscape as they explore.

Cycle of Rebirth You can earn a rare title as the game progresses, a title that requires something more than a basic title to gain. Amongst these titles are Elden lords, a title that stands at the pinnacle of the ladder of prestige in the Lands Between.

Player Comparison Your accumulated experience is tracked, so that as experience becomes superior to that of other players, you can gain knowledge of these players and learn various secrets.

Player Competition The number of players that participate in a game session are shown on the top of the screen. You can compete against another user. Ranking here is based on your ability to gather experience and level up your characters and faction.

Accumulated Experience: Each player has accumulated experience depending on their actions, similar to what happens in real life. This experience can be used to discover the distribution of equipment that users can equip.

Gathering of Experience: Gathering experience depends on your effectiveness in securing resources, opening up routes to locations, and defeating monsters. Using the results obtained, you can level up every character. This gathering of experience was designed in a way that it becomes more difficult as you play, giving greater rewards at a higher level of difficulty.

“The combat is simple and doesn’t require any skill, nor does it require the player to pay attention to anything. However, the challenge to you are the same: manage the items you acquire and use the skills you gain.” NintendoLife.com review “In this action RPG, there are a lot of monsters around and you need to use your various skills to protect your character. The game’s various environments and different story sections are reminiscent of Dragon Quest.” Fueloms.com “The game’s visuals and character design are beautiful. The game’s basic elements are easy to follow. You’ll understand what you’re trying to do, how to do it, and how to complete the mission in just a few steps.” English Newspapers “Considering all of the connections that you can make in this game, it’s amazing that a couple of them translate into others. It almost seems like a console game and I enjoyed it.” Kotaku.com review DISC1 Game CD Contents: - Prologue -
