movie: interstellar (2014)
runtime: 129 min. as a child, joe miller was whirled into the future by his parents in a wormhole accident and discovers a world where the “cooperators” and “replicants” war over the future of humanity. in the near future a mysterious corporation known as “apoc” [advanced prototype office] will inherit all earth’s assets. joe and his friends must travel to the outer reaches of

the cosmos to meet apoc's enigmatic ceo in order to prevent a deadly attack. this is the story of the people and the machines that fight for our future. this is a thrilling science fiction adventure that explores the theme of existence and humanity's place in the universe. this is definitely not your ordinary space adventure. this movie is very dark and hard to watch at times. i highly recommend it. it is one of the best space adventure movies of the year. i highly recommend you see this movie as fast as

you can if you are a nolan fan or not. i give this movie a rating of 97 out of 100. this is a hollywood movie and available in 720p in [1.3gb] & 1080p in [2.4gb] in mkv format. this is one of the best movie based on adventure, drama, sci-fi. this movie is now available in hindi dubbed [org-dubbed]. i hope that you all enjoyed the preview and are looking forward to christopher nolans newest film interstellar. i can't wait for it to come out. it is a must see for any movie fan. i will be back soon to post a

review of the film as soon as it is released on dvd. thanks for reading and i will be back soon.
